OUR MEMBERS

We are a proudly multidisciplinary Trans-Tasman organisation. Our members are from Australia and New Zealand and include:

- Research or education active primary care professionals and academics
- Higher degree research students and postgraduate trainees of primary care disciplines
- Organisations including universities, regional health authorities, primary care training providers and professional colleges with a focus on teaching, research, policy or service delivery in primary care
TO BE AUSTRALIA AND NEW ZEALAND’S LEADING ADVOCATE FOR HIGH QUALITY MULTIDISCIPLINARY PRIMARY CARE RESEARCH, EDUCATION, POLICY AND PRACTICE.
OUR STRATEGIC GOALS

To become a visible, effective and sustainable organisation that is responsive to a broad primary care membership.

To increase linkages with other organisations with an involvement in primary care.

To provide effective advocacy for primary care and primary care research and training.

To promote and nurture research and scholarly activity in primary care.

To promote excellence in primary care education.

To mentor the academic primary care workforce.

To champion a vision of primary care oriented health care underpinned by evidence and education.
